Sir:

I, Brian Schwab, declare as follows:

1. I am Chief Licensing Officer & General Counsel for Scynexis, Inc., the owner of the above-identified application.

2. The subject matter of U.S. Patent No. 6,413,431 and the invention claimed in the current application (i.e., U.S. Application No. 10/790,436) were, at the time the claimed invention was made, owned by or subject to an obligation of assignment to Scynexis Chemistry & Automation, Inc., whose name was later changed to Scynexis, Inc.

I hereby declare that all statements made herein of my own knowledge are true and that all statements were made on information and belief and are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Date: August 31, 2005
